Thank you for attending the Public Information Open House for the proposed widening and reconstruction of State Route (SR) 31/US 441 from south of SR 117 to just south of I-16 at County Road (CR) 354/Pine Hill Road, PI Number 262027. Our goal is two-fold: 1) to provide you with information on the proposed project and 2) to provide an opportunity for you to give us your comments on the proposed project. In this handout package, you will find a description of the project, a location map, and a comment card.

As you enter the room, please take a look at the project display. Georgia Department of Transportation (Georgia DOT) representatives, wearing nametags, are available to discuss the project and answer your questions. There will be no formal presentation.

We hope you will take the opportunity to tell Georgia DOT what you think. Listed below are several ways to comment on the project. Your comments are important to us and, should you provide comments by one of the methods noted below, we will respond to you in writing usually within 30 days of the close of the comment period. All comments will become part of the project's official record.

While you are attending the open house, you can **provide your comments today** by filling out the comment card provided with this handout and dropping it in the comment box, or you may choose to provide your verbal comments to the court reporter who will transcribe your comments.
